

Corporate Offerings Service Tiers

A staged path to genuine neuroinclusion — from team foundations to full workplace design.

FOUNDATIONS

Crawl · start here · all staff

Neurodiversity 101 / Foundations of Neuroinclusion

What neurodiversity is & isn't, neurotypes & workplace differences, myths, strength-based framing, and inclusive-workplace basics. 60-min virtual or in-person.

Psychological Safety 101

Build teams where people can speak up, struggle, and grow — the groundwork that lets inclusion take hold.

Pricing: Suggested donation is up to your organization. Contact us for more info about booking a presentation, speaker, or workshop.

GROWTH

Walk · build capability · leaders, HR & teams

Policy & Governance Review of Inclusive Design

Which policies to review and what to look for — accommodation, hiring/onboarding, performance, communication norms; optional governance framework / steering council.

Energy Leadership Index (ELI)

Assessment + executive workshop measuring how people show up. Get ahead of burnout, turnover & change resistance; 7 levels of energy with certified-coach debriefs.

Community Resource Group (CRG)

ERG-as-a-service for ND professionals across employers — guest speakers, mixers, curated resources, group + 1:1 coaching. Core \$5K · Supporter \$10K · Partner \$25K.

Group Coaching / Team Audit

Team-level coaching plus a neuroinclusion audit of practices, surfacing where to improve.

CHAMPION

Run · org-wide design · the full partnership

Inclusive Workplace Design Workshop

Custom working session for teams/orgs to reimagine policies, environments, meetings, and communication for neuroinclusion.

Workplace Inclusive Design Review

Deep consulting engagement: review policies, processes & culture; employee surveys / focus groups; written recommendations report — the full redesign partnership.
